

## Scout or Scouter's Account Agreement

I agree that the money earned at Troop 141 sponsored events and placed in my account will be used for scout equipment or events. Money may be moved from my account to pay for summer camp, dues etc. with my approval. If I buy scout equipment, I will bring in a sales receipt and a check will be issued from the Troop for that amount.

If I join another Troop, the funds will be transferred to that Troop's treasurer. If I leave scouting, the money left in my account will be moved from my account to the troop general fund. If I return to scouting, my account will be re-opened with the amount that I left.
